

TAKING ACTION FOR CHANGE

We are at a defining moment in Rotary's history. We're implementing our Action Plan, a strategic road map that will help us better connect with each other, grow as an organization, and more effectively share our stories of how we are making a difference in communities.

At every level of Rotary, we have embraced opportunities to work together to achieve our goals. Over the coming four issues, you'll hear from Rotary members around the world who will offer their inspiration, encouragement, and guidance as we carry out the four priorities of the Action Plan.

IMPACT

We want to put our resources behind programs that will have the greatest impact and that align with our areas of focus.

We're creating tools and guidelines for tracking and sharing our efforts. We're also developing an evaluation process that will help us make objective recommendations about what is working and what we should continue, start, or stop doing.

REACH

We're committed to exemplifying and embracing diversity, equity, and inclusion (DEI) in everything we do.

We're testing new products and alternative models that will allow more people to connect and take action with us in ways that work best for them.

ENGAGE

We're tearing down the walls between "us" and "them" and focusing on participants.

We're asking people how they want to participate, finding ways to meet them where they are, and making sure they know we value them.

ADAPT

We're streamlining operations so we can be more agile and responsive.

We're simplifying the way we do things and helping members manage change so that our clubs, districts, and zones can more effectively communicate and work together.
